Objective:

The objective of this collaboration is to formalize an understanding between Tap Academy and the College to conduct the **Campus to Corporate (C2C) Internship** Program for students in the College's 7th and/or 8th semesters, aiming to provide high-quality training and placement opportunities to them.

Scope of Collaboration:

Tap Academy Introduction:

Tap Academy, founded in 2021 by Mr. Rohit Ravinder, is a leader in Full-Stack development courses. Having trained over 75,000 students and partnered with 400+ corporate clients and 350+ academic institutions nationwide, Tap Academy offers interactive courses in both online and campus training modes, specializing in Java, Python, JavaScript, Data Structures & Algorithms, SQL, Aptitude, and Soft Skills.

Training and Skill Development:

- Tap Academy will train students in Full-Stack Technology.
- Training will be provided at zero cost to the College.

Student Selection and Training:

- The selection process includes an introduction to Tap Academy, followed by an MCQ round, a Just A Minute (JAM) session, and technical and HR interviews.
- Students selected in the Campus to Corporate interview round will receive free training and unlimited placement opportunities.
- The selected students will have to travel to Tap Academy's BTM office to

undergo training at the mutually agreed upon dates and the onus lies on the college to push its students to attend the same.

Responsibilities:

- **Tap Academy**: Responsible for providing training, managing the internship program, and ensuring placement opportunities for selected students.
- **College**: Responsible for ensuring that the registered students turn up for the drive

Value Proposition:

- Tap Academy offers a reliable Learning Management System and India's first AR/VR-based learning platform along with a proprietary coding platform.
