Annexure "A"

This annexure is an Integral part of MOU between LBMPS & GFGCOEJ / CICS / IMI

Educational Quality Improvement program proposal for Godavari College of

Engineering and Polytechnic, Jalgaon (GFGCOEJ)

"SETU" - Bridge between Industry & Academics

Objectives –

- A) - To improve quality of education imparted to students in Godavari College of Engineering and Polytechnic, Jalgaon (GFGCOEJ)
- B) - To ensure all round development of students & inculcate sense of social & national responsibilities in students.
- C) - To incorporate needs of industry & or commercial houses in education.
- D) - To develop educational institutions on value based & value addition pattern.
- E) - To develop educational institutes, university, industry, students, society & the region through mutual co-operation.

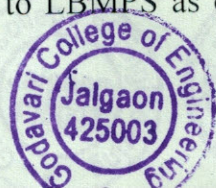

Partners to the proposal –

- A) - Educational Quality Improvement Program **EQIP**.
- B) - Godavari College of Engineering and Polytechnic, Jalgaon (GFGCOEJ)
- C) - Leva Bhratrumandal, Pimpale Saudagar, Pune 411027, herein after termed as **LBMPS**.
- D) - Other Colleges associated with this initiative. Herein after termed as **college/s**
- E) - Corporates / Industries / Commercial / Service establishments willing to join this programme, herein after termed as **CICS**.
- F) - Individuals / mentors/ institutions who are willing to join & who support this initiative of regional development, herein after termed as **IMI**.

Salient Points & Process-

GFGCOEJ & LBMPS will jointly work out detailed plan, finalise terms of reference for each participants & draft format of agreements by & between all the stake holders. LBMPS will act as main coordinator between the parties. LBMPS will also act as prime point of source developer for events, activities & participants.

GFGCOEJ will issue authorization letter to LBMPS as coordinating partner for the

project.

With authorization & recognition from GFGCOEJ, LBMPS will negotiate, take various inputs & aspirations of all stake holders, coordinate between each of them & create cohesive environment within the stake holders.

GFGCOEJ / Colleges will be responsible for implementation of the initiative in its true spirit to develop responsible citizens for tomorrow's bright region & India.

CICS & IMIs will support colleges as per directives & guidance of GFGCOEJ & LBMPS.

All such support will be at will & with mutual consent.

Terms of reference can be amended from time to time with mutual consent of all stake holders.

Gains & liabilities of each stake holder -

Considering objectives & laid down process of the program, all stake holders are likely to receive cutting age technology at just & in real time. This will lead in considerable enhancement in their overall standing & ranking. Implementation of the program in its letter & spirit will produce patriotic, responsible & knowledgeable future citizens for region & Nation. Brief takeaway for each stake holder could be summarized as under

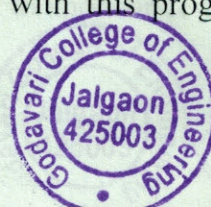

A) - Godavari College of Engineering and Polytechnic, Jalgaon (GFGCOEJ) -

A1 - Gains - Will get credit of imparting quality education, may get higher ranking within university/es, will help get more admissions in associate colleges, will have key status in all promotions, achievements & credits of this program.
