Report on Program Seminar/Guest Lecture/Special Lecture

Name of Program	SHASHTRA PUJAN 23/10/2023
Year	2023-2024
Date:	23/10/2023
Details of Program	SHASHTRA PUJAN 23/10/2023 All departments did activity effectively. Shastra Pujan (शस्त्र पूजन), also known as Ayudha Puja, is a traditional Hindu ritual that involves the worship of weapons and tools, symbolizing the respect and sanctity given to instruments of strength and protection. This ritual has deep cultural and historical significance, particularly in the context of warriors and military traditions, but it is also observed by people in various professions. Historical and Cultural Significance: Origins in Dussehra: - Shastra Pujan is closely associated with the festival of Dussehra (Vijayadashami), which celebrates the victory of good over evil. Traditionally, warriors and soldiers would perform this ritual to honor their weapons before heading into battle. - The ritual is rooted in the belief that weapons and tools are embodiments of power, and by worshiping them, one invokes the blessings of the divine for strength, protection, and success. Warrior Tradition: - In historical contexts, particularly among the Kshatriya (warrior) class, Shastra Pujan was an important ritual. It was believed that this puja would ensure that the weapons remained effective in battle and that the warriors would be victorious. - In regions like Maharashtra, Rajasthan, and among Sikh communities, Shastra Pujan has been a long-standing tradition, reflecting the martial spirit and devotion to duty.
