## Context

Our model of Career Design is built on two interlocking parts:

- A. Five Strategic Behavioural Capabilities (Advance employability program): Growth Mindset, Career Intelligence, Digital Intelligence, Cultural Intelligence and Influence.
- B. Skills mastery through Project-based Learning, delivered through team projects focused on emerging areas of technology and business, leading to global professional credentials.

### A. Five Strategic Behavioural Capabilities

1. Growth mindset
2. Career intelligence
3. Digital Intelligence
4. Cultural intelligence
5. Influence

#### **B. Skill mastery through Project-based Learning**

The other strand of our Career Design approach is the focus on development of the students' technical skills through project-based learning. The students are evaluated as a team but also receive individual performance feedback through 360-degree evaluation from the Project Manager (Skills Mentor), Customer (Subject Matter Expert) and peers (Team members).

#### **Learning methodology**

The employability.life learning experience combines Projects focused on technical skills and coaching for strategic behavioural skills, either running in sequence or in parallel depending on the setting. The students would receive the services based on the type of partnership undertaken by an institution.

#### **Certification and Recognition**

The employability.life behavioural training model is endorsed by Institute of Leadership and Management, UK which is the largest global organisation for HR professionals and leadership practitioners. All students completing the behavioural training program would receive an "Award of Recognition" from Digital Commonwealth, UK.

#### **Confidentiality**

Second Party must keep confidential the terms of the partnership and the matters contemplated by and including the program details, content, links contained within the confidential clause. Second Party must only use Employability.Life Confidential Information to provide the Services and for no other purpose. All confidentiality obligations survive the termination of agreement.

#### **Proprietary rights**

Second Party acknowledge and agree that First Party and/or its licensors own all intellectual property rights in the Program/Platform and in documentation provided to Second Party. Except as expressly stated, these Terms do not grant Second Party any rights to, under or in, any patents, copyright, database right, trade secrets, trade names, trademarks (whether registered or unregistered), or any other rights or licenses in respect of the Program/Platform or in documentation provided to Second Party. Further nothing in this agreement will function to transfer First Party's Intellectual Property rights to the Second Party, and First Party will retain exclusive interest in and ownership of its Intellectual Property developed before this agreement or developed outside the scope of this agreement.

**Indemnity**

Second Party shall defend, indemnify, and hold harmless EMP against claims, actions, proceedings, losses, damages, expenses and costs (including without limitation court costs and reasonable legal fees) arising out of or in connection with Second Party's provision of the Services.

**Limitation of Liability**

Second Party assume sole responsibility for results obtained from the use of the Platform. First Party shall have no liability for any damage caused by errors or omissions in any information, instructions or scripts provided by us to you in connection with the Services or the Platform, or any actions taken by you at our direction. All warranties, representations, conditions, and all other terms of any kind whatsoever implied by statute or common law are, to the fullest extent permitted by applicable law, excluded from these Terms. First Party do not exclude or limit in any way its liability to Second Party where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or other Licensors and for fraud or fraudulent misrepresentation.

First Party shall not be liable whether in tort (including for negligence or breach of statutory duty), contract, misrepresentation, restitution or otherwise for any loss of profits, loss of business, depletion of goodwill and/or similar losses or loss or corruption of data or information, or pure economic loss, or for any special, indirect or consequential loss, costs, damages, charges or expenses however arising under these Terms.

**Suspension and Termination**

First Party may terminate this Agreement by serving at least one month's prior written notice upon the Second Party.

**Governing law and law of contract**

These Terms are governed by and construed in accordance with the law in force in England and Wales where the program and it's delivery is conceptualised, designed and developed.

- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
- + Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
  - + Is already known or become known to the receiving party.
  - + Is received from a third party having no obligations of confidentiality to the disclosing party,
  - + Is independently developed by the receiving party; or
  - + Is required to be disclosed by law or court order.

## 7. Non-Exclusivity

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

## 8. Terms And Termination

This MOU, unless extended by mutual written agreement of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

## 9. Relationship

Nothing in this MOU shall be construed to make party a partner, an agent or legal representative of the other for any purpose.

## 10. Assignment

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

## 11. Costs Of The MOU

Each Party shall bear the respective costs of carrying out the obligations under this MOU.

## 12. Signed In Duplicate

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.
