Response:

Godavari Foundation was established in 1993 by Dr. Ulhas Vasudev Patil, with a mandate **to “serve the needs of the common peoples & societies in the Jalgaon Area of North Maharashtra”**. Godavari College of Engineering (GCOE) was started by Godavari Foundation in 1999 to impart quality education in the field of Engineering & Technology.

Vision of the Institute

To develop Godavari College of engineering as a center of excellence in technology. Where to develop leadership quality, self-driven motivated new technical generation of students with right character and good disciplined citizen of India to ensure India to emerge as a most developed nation by 2020, bringing back the ancient glory of India as a creator.

Mission of the Institute

"Civilization Through Technology"

To develop extraordinary technical human resource who can drive India always ahead to keep pace with the development process unleashed by the world technical experts to achieve civilized society of India.

Values

Inculcate a strong belief in hard work and core values of gender equality, human rights and ecology in order to make them socially responsible citizens. Equip students with the skills needed to adapt better to the changing global scenario and gain access to multiple career opportunities.

Management

- Forms various committees with faculty to steer and trains them in leadership.
- Regularly interacts with the institute administration through College Development Committee (CDC) meetings, Review meetings, and the Internal Quality Assurance Cell (IQAC) and sets the goals for the quality policy.
- Ensures adequate financial support for the overall development of academic and administrative infrastructure, as well as cutting-edge facilities, to ensure the widespread of a proper academic environment.

Godavari Foundation's
Godavari College Of Engineering, Jalgaon

Address: P-51, BSL Road, -Sector, Additional MIDC, Jalgaon, Maharashtra 425003
Phone: 075070 75171
Web: <https://www.gfgcoe.in/>

Principal

- Responsible for the academic and administrative activities of the institution.
- Shares the views of the management and other important decisions taken by the management in the meetings conducted with deans, heads, and cell coordinators for academic and administrative review.

HOD

- Responsible for overall administration, functioning, laboratory, and maintenance of the department.
- Grooms staff members to lead different departmental committees.

Faculty

- Plays a key role in the implementation of the quality policy of the institute and plans for future development.
- Is one of the most important stakeholder groups and a key pillar of the institute.
- Serves as a mentor/faculty advisor/group advisor for effective student control and counselling, execution of several departmental activities and effective preparation of purchase requirements.

Student

- As members of various student associations and coordinators for various events, including technical, cultural, sports, social, and departmental associations.
- As the Gathering Secretary, they are permitted to take on the role of office bearers, to execute and organize association activities themselves in order to expose their responsibilities and duty consciousness.
- Student Council President and Secretary are the members of CDC providing student representation in college development planning activities.
- Student Alumni is the member of CDC having participation in college development planning activities.

Institute strongly believes in grooming the leadership at all levels of administrative hierarchy through inclusive, decentralized, and participative management, which is authenticated by the presence of the College Council and an effective cellular structure in place since inception.
